Perfect performance in cold rooms

**Ionizer function:** Thanks to an integrated ionizer, this device emits negative ions in order to restore the ionic balance of the air for more comfort. The ionic imbalance can cause headaches, dizziness and stress.

**Very stylish exclusive Qlima Design:** This dehumidifier is part of an exclusive range of Qlima design dehumidifiers. The glossy white colour together with the colourfull blue indication ring presents this model as a revelation in high end aesthetics for household dehumidifiers.

**Convenient mobility:** The unit is equipped with top handle at the top back of the unit. Futhermore, this dehumidifier is equipped with castors (wheels).

**Possibility for permanent water drainage:** By fitting a flexible water drainage tube a continuous water discharge can be realized. If done correctly, it will prevent the need for emptying the water container.

**Large size, removable water tank:** For ease of use, the dehumidifier has a extremely large watertank capacity. The frequency of having to empty the tank is significantly reduced, with this large sized water tank.

**Automatic switch off:** When the water container is full, a LED light will light up. The dehumidifier will automatically switch off.

**Swing function air outlet :** The air outlet is positioned on the upper part which is equipped with a movable flap (up / down). In this setup, the air spreads evenly and is particularly useful for drying laundry. The function 'Swing' can also be deactivated.

**Automatic operation/shut-off:** The unit adapts to the to the conditions of the room. It alternates between silence and the full power mode to maintain a humidity level at approx 50%. When the water tank is full, a signal will be displayed. An sound is heard and the unit stops.

**Back-up system and auto re-start:** In the event of a power failure, the unit will remember the settings before power failure.

**Timer function:** 4 settings in programming, the options are 1, 2, 4 or 8 hours. The unit stops automatically when selected time has passed.

**Environmental friendly:** This dehumidifier operates without compressor or refrigerant. In addition, it has no need for an antifreeze function.

**Full colour box:** The unit is delivered complete with auxiliary parts within a full coloured box, displaying the applications and operation information in several languages.
